

**CORNWALL COUNCIL**

**NOTICE TO MARINERS**

**NOTICE NO. 3 of 2010**

**PORT OF TRURO**

**Oceanographic data buoys**

**NOTICE IS HEREBY GIVEN** that two oceanographic data buoys have been positioned approximately 500m due East of Weir Pt at the entrance to Restronguet Creek.

The buoys are approx 30m apart, aligned North to South and centred on position **50°11.45 N 005°02.86 W**.

They are small yellow special marks and both are lit with the characteristic Fl.Y.4s.
