PORT NOTICE TO MARINERS

NO. 10 OF 2010

Carrick Roads – Oceanographic Data Buoys

NOTICE IS HEREBY GIVEN that two oceanographic data buoys have been positioned 2 cables east of the Vilt buoy.

The buoys are approx 40m apart, aligned North to South and the northern buoy is in position 50° 10.00 N, 05° 02.00W.

They are small special marks; one orange and one yellow, both are lit with the characteristic Fl.Am.4s.
