PORT NOTICE TO MARINERS

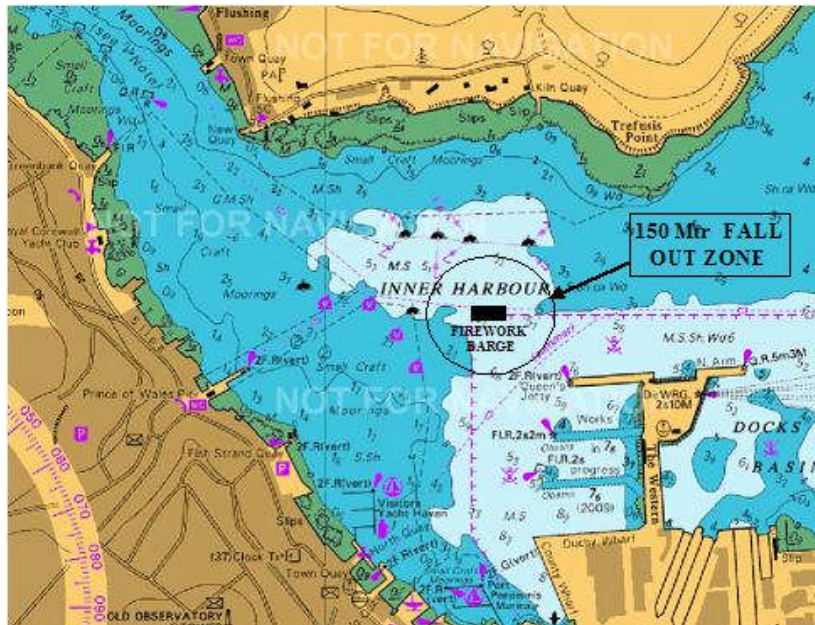

NO. 14

Fireworks Display

NOTICE IS HEREBY GIVEN that a fireworks display will take place in Falmouth Inner harbour at 2200 on Friday 13th August 2010.

The display will be located on a barge approx 200m WNW of Queen's Jetty, as shown below. All craft are required to keep clear of an exclusion zone of 150m around the barge from 2150 for the duration of the display.

Distress signals should only be fired to signal a vessel, person or aircraft is in distress and requires immediate assistance. Their use as fireworks is an offence; observers will be stationed with a view to identifying any offenders.
